SET UP COTODAMA Lyric Speaker Canvas ON A WI-FI NETWORK

To connect your COTODAMA Lyric Speaker Canvas to a Wi-Fi network, follow these steps:

1. Power on your COTODAMA Lyric Speaker Canvas plugging it into the AC adapter.
2. Push the Power button.
3. Your COTODAMA Lyric Speaker Canvas is now ready to be connected via one of the options below.

For Android and iPhone Users

Please set up with Google Home

Chromecast built-in is a platform that lets you stream your favorite music from your phone, tablet or laptop right to your speakers. Easily control your speakers with apps you already know and love from your iPhone®, iPad®, Android phone or tablet, Mac® or Windows® laptop, or Chromebook. Download the Google Home app directly from Google Play™ or the App Store™ and start playing!

1. Power on your COTODAMA Lyric Speaker Canvas.
2. Connect your phone or tablet to a Wi-Fi network.
3. Download the Google Home from Google Play™ or the App Store™.
4. Make sure your Bluetooth is ON for iOS devices.
5. Open the Google Home app and sign in to your Google Account. Select your Lyric Speaker, then go on SET UP.
6. The Lyric Speaker Canvas will appear as “New device found” at the bottom of the Homescreen or in the Devices screen in this format:

“Lyric Speaker xxxxxx.”

7. Tap SET UP and follow the instructions.

COTODAMA Lyric Speaker Canvas AUTOMATIC SOFTWARE UPDATES

As soon as your speaker is connected to Wi-Fi, it will search for automatic software updates.

- If an update is available, the update will start automatically.
- DO NOT unplug the power when the speaker system is updating.
- The speaker will automatically reboot and reconnect to the Wi-Fi when completed.
- Your speaker is connected to Wi-Fi and ready to use when the messages are displayed.

For iPhone users

Please set up with AirPlay

AirPlay allows you to remotely control and play content to your AirPlay enabled COTODAMA Lyric Speaker Canvas speakers from your iOS phone or tablet.

AirPlay works with iPhone, iPad, and iPod Touch with iOS 4.3.3 or later, Mac with OS X Mountain Lion or later, and PC with iTunes 10.2.2 or later.

1. Power on your COTODAMA Lyric Speaker Canvas.
2. Connect your iPhone or iPad to the Wi-Fi network.
3. Go to Wi-Fi settings in the Set Up New AirPlay Speaker section, select “Lyric Speaker xxxxxx.”
4. Tap Next and wait for confirmation of connection.
5. When the messages are displayed, your COTODAMA Lyric Speaker Canvas is now connected to the Wi-Fi network.

* For additional help with setting up <https://support.apple.com/en-us/HT204289> .

START PLAYING

Now that you are connected to Wi-Fi, let's start playing. Choose any Chromecast or AirPlay® enabled app or Spotify Connect to start enjoying your favorite musics the sound.

How to use Chromecast built-in

1. Open any Chromecast-enabled app (ex. Spotify...).

* To show lyrics, the apps should be a COTODAMA Lyric Speaker compatible app.
Check the web page (<https://www.lyric-speaker.com>)

2. Select a speaker or a group of speakers.

3. Tap the Cast button on your apps.

IMPORTANT SAFETY INSTRUCTIONS

COTODAMA Lyric Speaker Canvas is designed and manufactured to operate within the defined design limits, and misuse may result in electrical shock or fire. To prevent your speaker from being damaged, the following rules should be followed for installation, use and maintenance. Please read the following safety instructions before operating your COTODAMA Lyric Speaker Canvas. Follow all the instructions. Keep these instructions in a safe place for future reference and heed all warnings.

DO NOT...

- Use the COTODAMA Lyric Speaker Canvas near water or pour water/other liquids on the unit.
- Submerge your COTODAMA Lyric Speaker Canvas in any liquid.
- Install near any heat sources such as radiators, heat registers, stoves or other apparatus (including amplifiers) that produce heat.
- Puncture, throw, kick/punt, shred, crush, step on, microwave, light on fire, or toss your COTODAMA Lyric Speaker Canvas in the dishwasher.
- Insert foreign objects into your COTODAMA Lyric Speaker Canvas.
- Leave or store the COTODAMA Lyric Speaker Canvas or any accessories over or near your car's airbag. Serious injury may result if the airbag deploys.
- Place the COTODAMA Lyric Speaker Canvas on high surfaces where the speaker may shift or fall off the edge.
- Block ventilation openings.
- Allow the power cord to be walked on or pinched, particularly at plugs, convenience receptacles, and the point where they exit from the apparatus.
- Disassemble, paint, or blanket in stickers.
- Drag sharp objects across any surface.
- Leave in the sun for extended periods of time.
- Place in low or freezing temperatures.
- Unplug this apparatus during lightning storms or when unused for long periods of time.
- Use the included cords in the COTODAMA Lyric Speaker Canvas packaging for any purpose other than their intended one.
- Defeat the safety purpose of the polarized or grounding type plug.
A polarized plug has two blades with one wider than the other.
A grounding type plug has two blades and a third grounding prong. The wide blade or the third prong are provided for your safety. If the provided plug does not fit your outlet, consult an electrician for the replacement of obsolete outlets.

CAUTION...

- Install in accordance with manufacturer's instructions.
- Use only the manufacturer supplied power supply and accessories with your COTODAMA Lyric Speaker Canvas.
- Protect the power cord from being walked on or pinched particularly at plugs, convenience receptacles, and the point where they exit from the apparatus.
- Listening to music at high volume over extended periods of time may damage your hearing. The maximum volume levels achievable with COTODAMA Lyric Speaker Canvas may exceed safe levels for extended listening. COTODAMA accepts no liability for hearing loss, bodily injury or property damage as a result of use or misuse of this product.
- Only use attachments/accessories specified by the manufacturer.
- Replace only with the same or equivalent type.
- Danger of explosion if battery is incorrectly replaced.
- A warning that batteries (battery pack or batteries installed) shall not be exposed to excessive heat such as sunshine or fire.
- The Class B digital apparatus complies with Canadian ICES-3 (B)/NMB-3(B).
- The user manual for local area network devices shall contain instructions related

to the restrictions mentioned in the above sections, namely that:

- (i) the device for operation in the band 5150-5250 MHz is only for indoor use to reduce the potential for harmful interference to co-channel mobile satellite systems;
- (ii) the maximum antenna gain permitted for devices in the band 5725-5825 MHz shall comply with the e.i.r.p. limits specified for point-to-point and nonpoint-to-point operation as appropriate.
- (iii) the worst-case tilt angle(s) is compliant with the e.i.r.p. elevation mask requirement set forth in Section 6.2.2(3).
- (iv) COTODAMA Lyric Speaker Canvas, Wireless Chromecast build-in, Wi-Fi 2CH Speaker System.

WARNING

To reduce the risk of fire or electric shock, do not expose this apparatus to rain or moisture. The apparatus shall not be exposed to dripping or splashing. No objects filled with liquids, such as vases, shall be placed on the apparatus. An appliance coupler is used as the disconnect device, the disconnect device shall remain readily operable.

The symbol is intended to alert the user to the presence of uninsulated dangerous voltage within the product's enclosure that may be of sufficient magnitude to constitute risk of fire and electric shock. The symbol is intended to alert the user to the presence of important operating and maintenance instructions.

CARE

Do not clean your COTODAMA Lyric Speaker Canvas while it is plugged in because doing so could result in electric shock. Use only with the cart, stand, tripod, bracket, or table specified by the manufacturer, or sold with the apparatus. When a cart is used, use caution when moving the cart/apparatus combination to avoid injury from tip-over. Clean your COTODAMA Lyric Speaker Canvas with a soft, dry cloth, preferably microfiber. Do not use steel wool, grill brushes or other abrasive cleaners. Refer all servicing to qualified service personnel. Servicing is required when the apparatus has been damaged in any way, such as: power-supply cord or damaged plug, liquid or other foreign objects have fallen into the apparatus, the apparatus has been exposed to rain or moisture, does not operate normally, or has been dropped. If your COTODAMA Lyric Speaker Canvas is weathered, contact us at support@lyric-speaker.com. Remember, you have a warranty, lyric-speaker.com, and we know how to make them feel better!

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received, including interference that may cause undesired operation.

Cet appareil est conforme à la section

15 des réglementations de la FCC. Le fonctionnement de l' appareil est sujet aux deux conditions suivantes :

- (1) cet appareil ne doit pas provoquer d' interférences néfastes, et
- (2) cet appareil doit tolérer les interférences reçues, y compris celles qui risquent de provoquer un fonctionnement indésirable.

Note: This product has

been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This product generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this product

causes harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- * Reorient or relocate the receiving antenna.
- * Increase the separation between the equipment and receiver.
- * Connect the equipment into an outlet on a different circuit.
- * Consult the dealer or an experienced radio/TV technician for help.

Please take attention that changes or modification not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. This equipment should be installed and operated with a minimum distance 20cm between the radiator and your body. Cet équipement doit être installé et utilisé à une distance minimale de 20 cm entre le radiateur et votre corps. This device complies with Industry Canada licence-exempt RSS standard(s). Operation is subject to the following two conditions:

- (1) this device may not cause interference, and
- (2) this device must accept any interference, including interference that may cause undesired operation of the device. Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radioexempts de licence. L'exploitation est autorisée aux deux conditions suivantes :
- (1) l'appareil ne doit pas produire de brouillage, et
- (2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

LYRIC DISPLAY SERVICE

The lyric display service we provide to customers through this speaker is based on the Lyric Speaker terms and conditions (<https://lyric-speaker.com/assets/pdf/terms.pdf>). Clients who use the lyric display service must abide by the terms and policies of this service. Lyric Speaker caters to 2 million songs, including asynchronous songs provided by SyncPower Corporation. Lyrics can be requested from apps. For details, refer to the "Request lyrics" section in this user guide. The lyric display service can be used for personal/ non-profit/ non-commercial purposes.

If this product is used outside of personal/ non-profit/ non-commercial purposes, there is a possibility that the license for each song must be obtained from the copyright owner. **In** case this product is used outside of the services terms and conditions, the client is responsible for the procedures and incurring costs such as music royalty fees, etc. For further details, please visit the URL above.

GDPR

As part of our EU General Data Protection Regulation (GDPR) work, please see our web site (<https://lyric-speaker.com/GDPR>)

REQUEST LYRICS

- How can I request lyrics? Please request from the Lyric Speaker HP
<https://lyric-speaker.com/en/request.html>
- ※ A request cannot be made if you do not have the song data.
- When will requested lyrics be reflected?
Lyrics with most requests will be reflected first. There are cases in which lyrics cannot be provided.

OTHERS

- About software updates
Software updates occur automatically when the speaker is turned on.
Depending on the operating environment the updates may take around 15 minutes. Do not shut down the speaker during the updating process.
※ The duration of the updating process depends on Wi-Fi connection environment.
- Where can I find the serial number?
The serial number is found at the bottom of the unit.

CARE AND MAINTENANCE OF THE FRONT PANEL

To maintain the product in its best condition for as long as possible, follow the maintenance instructions mentioned below.

Basic Maintenance

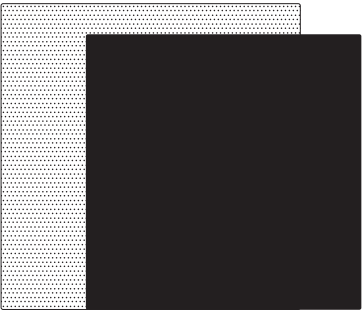

To remove dust from the surface, use a clean, dry cloth. To remove residue, clean with a damp cloth. End with a dry cloth to prevent staining.

How To Get Rid Of Stubborn Stains And Residue

Remove with a damp cloth using a neutral cleaning detergent. Use clean water afterwards to remove the cleaning agent and end with a dry cloth.

CAUTION

- As much as possible, prevent the surface from becoming wet and always finish with a dry cloth. (Finishing with a dry cloth helps preserve the product in its best condition.)
- Water or cleaning agent left on the surface or long time exposure to humidity will cause fading of the coated surface and possibly stains, and molding.
- Scratching with hard objects will cause irremovable damage.
- Do not clean with a solvent. This will damage or cause fading of the panel surface.

front panel

TERMS OF SERVICE

These Terms of Use stipulate the conditions related to the license for utilization of the service to display the lyrics and motion graphics with visual effects on the product screen (hereinafter referred to as the Service) provided by COTODAMA Lyric Speaker Canvas (hereinafter referred to as the Product) between COTODAMA Inc. and its subsidiaries (hereinafter collectively referred to as COTODAMA) and the customer. To use the Service, the customer needs to agree to these Terms of Use. By starting to use the Service, the customer agrees to be bound by these Terms of Use. When utilizing the Service, the customer needs to comply with the license conditions for service below to use the software programs that come with the Product (those that run on the Product, servers and smartphones; hereinafter referred to as the Software). The customer is expected to read the license conditions of the Software described below. Note that the Software may contain some software programs provided under any license conditions specified by their right holders other than COTODAMA (such programs shall be hereinafter referred to as the Non-Subject Software). When using the Non-Subject Software, the customer shall comply with the license conditions given by the applicable right holders. In addition, when utilizing the Service, the customer needs to obtain the license for utilization of the lyrics displayed on the Product (hereinafter referred to as the Lyrics) and the data related to the Lyrics (such data shall be, together with the Lyrics and the Software, hereinafter referred to as the Software & Data). The customer is expected to read the license conditions for utilization described under Article 1 of the Terms of Use.

Article 1 (License for Use or Utilization)

1. COTODAMA shall grant to the customer a non-exclusive license to use or utilize the Software & Data on the device usable with the Software owned by the customer (hereinafter referred to as the Specified Device).
2. The eligibility to use or utilize the Software & Data shall be granted only to the customers who agree to these Terms of Use.
3. When the Software & Data are used or utilized, the results caused by such use or utilization and any responsibility related to them shall be assumed by the customer who makes such use or utilization.

Article 2 (Prohibitions)

1. The customer shall not reproduce, copy, assign or sell the Software & Data in whole or in part or make correction, addition or other alteration to them. In addition, the customer shall not remove the indication of the trademark or other notices of rights contained in the Software & Data or otherwise change their appearance.
2. Unless expressly accepted in a separate agreement, the customer shall not grant a sublicense, lend or lease to a third party or otherwise have a third party use the Software & Data.
3. Unless expressly accepted in a separate agreement, the customer shall not separate a portion or a component from the Software & Data so as to use or utilize such portion or component of the Software & Data.
4. The customer shall not use the Software to take any action that infringes any intellectual property right of COTODAMA or a third party.
5. The customer shall not reverse engineer, disassemble, decompile or otherwise analyze the source code of the Software.
6. When the Software is in operation, it may automatically create a data file for its use. In this case, such data file shall be deemed to be included in the Software.
7. The customer shall not use the Software & Data to take any action related to a crime or any action against the public order and standards of decency.
8. The customer shall not use the Software & Data to take any action that violates laws, regulations or internal rules of the trade group COTODAMA or the customer belongs to.
9. The customer shall not use the Software & Data to take any action that would likely to obstruct provision of the Software by COTODAMA.
10. The customer shall not take any other action that the Company judges inappropriate.

Article 3 (Restriction on Storage of Data)

Even if COTODAMA stores any data obtained through the Software or uploaded by the customer for a certain period of time for any reason related to operation, COTODAMA shall not be obliged to store such data and shall not be responsible at all to the customer even when such data are lost, damaged, deleted or changed.

Article 4 (Rights in the Software & Data)

Intellectual property rights and any other rights related to the Software & Data shall be vested in COTODAMA. COTODAMA's affiliates or the original right holder who has granted to COTODAMA or COTODAMA's affiliates a license to sublicense the customer for use or utilization under the Terms of Use (hereinafter referred to as the Original Right Holder) and the customer shall not have any right other than the right to use or utilize the Software & Data licensed under these Terms of Use.

Note that the copyright, design right, trademark right, ownership and all other intellectual property rights related to the Software & Data shall be vested in COTODAMA or COTODAMA's partner or licensor.

Article 5 (Cessation)

1. COTODAMA shall, when any of the following situations occurs, cease, suspend or terminate the use of the Software in whole or in part without giving any prior notice to the customer.
 - (1) Inspection or maintenance of the computer system used with the Software is conducted periodically or emergently;
 - (2) Computer, telecommunication lines or the like are halted due to any accident;
 - (3) Fire, power failure, any act of God or other force majeure prevents the operation of the Software; or
 - (4) COTODAMA judges it necessary to cease or suspend the operation for any other reason.
2. COTODAMA may terminate the provision of the Software & Data for any reason of S COTODAMA. In this case, COTODAMA shall give a prior notice to the customer.
3. COTODAMA shall not be responsible for any damage to the customer resulting from any measure taken by COTODAMA under this Article

Article 6 (Obligation of the Customer)

1. The customer shall be responsible for all actions and their results resulting from use or utilization of the Software & Data and COTODAMA shall not be responsible for them at all.
2. If the customer receives, in relation to use or utilization of the Software & Data, any inquiry or complaint from a third party (any party inside or outside of Japan regardless of the eligibility as a customer including providers of third-party services.

This applies hereafter) or has any dispute with such third party, he/she shall settle or solve such inquiry, complaint or dispute at his/her responsibility and cost and, upon request from COTODAMA, shall report the progress and results to COTODAMA.

3. The customer shall prepare and maintain computers, other devices, telecommunication lines and other telecommunication environment required for use or utilization of the Software and Data at his/her cost and responsibility.
4. The customer shall, corresponding to his/her environment to use or utilize the Software & Data, take security measures such as prevention of computer virus infection, unauthorized access or information divulgement at his/her cost and responsibility.
5. If the customer causes any damage to COTODAMA or a third party by using or utilizing the Software & Data violating any provision under these Terms of Use, he/she shall compensate for such damage at his/her responsibility and cost.

Article 7 (Collecting Information about the Specified Devices by the Software)

1. Upon start of use or utilization of the Software & Data, the Software may collect the information as listed below for the Specified Devices, the Software & Data, content related to the Software, Non-Subject Software, and their use or utilization by the customer (hereinafter referred to as the Information) and send it to COTODAMA. COTODAMA shall use or store the Information in accordance with the provision in this article and shall not use it to identify any individual customer.

In case other conditions are separately shown for any designated use of the Software and the customer agrees to them, however, use or storage of the Information shall be conducted in accordance with such other conditions.

For the avoidance of doubt, the Information does not contain any personal information of the customer and the customer's personal information is not linked with the device ID or the like.

- (a) Artist information of the musical piece
 - (b) Title information of the musical piece
 - (c) Album information of the musical piece
 - (d) Length information of the musical piece
 - (e) Use information and use frequency information about the musical piece in relation to the information in the preceding items
2. COTODAMA may store, use or disclose the Information in accordance with the provision under laws for the purposes listed in the subparagraphs below (hereinafter referred to as the Purposes).
- (a) To manage the functions of the Specified Device and errors/bugs occurring when the Specified Device is used;
 - (b) To manage the functions of the Software to provide updated and upgraded versions of the Software;
 - (c) To develop and improve performance of the products, software and services provided by COTODAMA, COTODAMA's affiliates or a third party (hereinafter generally referred to as "COTODAMA & Others);
 - (d) To have COTODAMA & Others provide the information related to the products, software and services provided by COTODAMA & Others;
 - (e) To have COTODAMA & Others to provide products, software and services; and
 - (f) Compliance with the applicable laws and regulations.

3. COTODAMA may disclose the Information to COTODAMA's affiliates or a third party under the following conditions.

- (a) COTODAMA may share the Information with COTODAMA's affiliates in order to achieve the Purposes. The term "COTODAMA's affiliates" means the parent company of COTODAMA and any other corporation for which COTODAMA directly or indirectly holds 50% or more of the voting rights held by all of its shareholders (or, in case the affiliate is not a corporation, any entrepreneur largely influenced by COTODAMA when deciding its business policy);
- (b) COTODAMA may, in order to achieve the Purposes, disclose the Information to and share it with a third party with which COTODAMA or COTODAMA's affiliate has or will have in future dealings of the content related to the Specified Device, the Software & Data or the Software or dealings related to the Non-Subject Software.
- (c) COTODAMA may, when disclosure is requested by any government organization or under laws or regulations, or within the permitted scope, hold and utilize the Information and disclose it to a third party including the police and government organization in order to investigate grievances, complaints and petitions and to protect the rights of COTODAMA or a third party from any unlawful action, criminal action or other problem action.

4. The Information may be sent to outside of the country where the customer resides and processed and stored. The Information may be processed by COTODAMA or a third party to which COTODAMA entrusts such task in a country outside of the one where the customer resides.

If, in such other country, protection under the laws related to data protection or privacy is not equivalent to the protection under the laws of the country the customer lives in, the rights of the customer related to the Information may be restricted.

COTODAMA shall take appropriate technical measures to prevent unauthorized access to or divulgement of the Information and shall make reasonable efforts to maintain the system.

However, COTODAMA shall not warrant that such measures and system prevent any unauthorized access or information divulgement.

5. If COTODAMA collects information under Paragraph 1 (f) of this article in relation to these Terms of use or use or utilization of the Software & Data, COTODAMA shall use such collected information in accordance with the conditions under these Terms of Use and the privacy policy of COTODAMA. For the privacy policy of COTODAMA, refer to <http://sixinc.jp/privacy-policy/>. If the customer uses any software or service of a third party to provide some information to such third party, he/she is expected to check the privacy policy presented by such third party.

Article 8 (Open Source Software)

Non-Subject Software may include software programs which (1) include certain software publicly available in the form of source code or free of charge or its derivatives and (2) are bound by provisions different from the conditions under these Terms of Use (including but not limited to the obligation to disclose or distribute the subject software and its derivatives in the form of source code as well as the obligation to license an arbitrary third party to freely use the subject software) (hereinafter referred to as the Open Source Software).

Article 9 (Scope of Responsibility)

1. COTODAMA, COTODAMA's affiliates and the Original Right Holder shall not warrant that the Software & Data are free from any error, bug or other malfunctions, that the Software & Data operates without interruption or that the use or utilization of the Software & Data causes no damage to the customer or a third party. Note that, however, COTODAMA, COTODAMA's affiliates and the Original Right Holder may, in order to take measures against such error, bug or other malfunctions, correct the Software by providing a program to rewrite a part of the Software & Data or by updating the Software version, or give a notice about contact address for such errors, bugs or the like. The method to provide the program or version update or to notify the contact address described in this paragraph shall be determined at the discretion of COTODAMA, COTODAMA's affiliate or the Original Right Holder.

2. The responsibility for the products, software or network services other than the Software (such products, software or services are not limited to those provided by a third party, but may include those provided by COTODAMA, COTODAMA's affiliates or the Original Right Holder) on which the operation of the Software may possibly depend shall be vested in the provider of such software or network services. Note that such software or network services may be ceased or suspended in accordance with the judgment by the provider. COTODAMA, COTODAMA's affiliates and the Original Right Holder shall not warrant that these products, software or network services on which operation of the Software may possibly depend run properly without interruption or that they will properly run also in the future.

3. Some of the programs in the Software have a function to allow automatic updating when the Specified Device is connected to the server of COTODAMA or a third party specified by COTODAMA (including COTODAMA's affiliates).

If the customer sets the Software so as not to use such automatic update function or to be asked whether the program can be updated or not and the customer rejects execution of update, all or some of the functions of the Software may become unavailable. COTODAMA shall not be responsible at all for such situation.

4. COTODAMA, COTODAMA's affiliates or the Original Right Holder shall not take any responsibility to compensate for damage to the customer unless the damage is caused by willful conduct or gross negligence of COTODAMA, COTODAMA's affiliates or the Original Right Holder. Even in case COTODAMA bears the responsibility to compensate for damage to the customer under application of the Consumer Contract Act or for any other reason, the upper limit of COTODAMA's responsibility is 400 yen.

5. The musical pieces provided in the Service by the Software are limited to those licensed to COTODAMA by a third party (hereinafter referred to as the Subject Pieces). The Service is not provided in relation to other musical pieces. The Subject Pieces may increase or decrease, but COTODAMA shall not be responsible at all for either increase or decrease. In addition, COTODAMA shall not warrant the operation of the Software with all music player applications. Note that the Software may not operate properly depending on the music player applications used by the customer.

6. COTODAMA shall not warrant the operation of the Software for musical pieces the customer obtains by any method other than the regular procedures (including but not limited to illegal downloading and cracking). If any musical piece of the customer causes violation of laws, regulations or other rules or infringement of intellectual property rights including a third party's copyright or any other rights, COTODAMA shall not assume any responsibility and all problems shall be settled at the responsibility and cost of the customer.

7. COTODAMA shall make reasonable efforts to update or improve the information provided by the Software & Data, but COTODAMA shall not provide warranty or representation for correctness, integrity, immediateness, quality or reliability of the information and for no infringement of a third party's copyright, patent right, trademark right, know-how or any other rights.

8. Use of the Software & Data shall be limited within the country where the customer has purchased the Product (hereinafter referred to as the Purchase Country) and COTODAMA shall not compensate for any damage resulting from the use outside of the Purchase Country.

9. Some functions of the Service and the Software & Data are provided under the license from a third party other than COTODAMA & Others (including but not limited to SyncPower and LyricFind as described in Article 14). Note that, due to change of the license contents with such third party, the functions of the Service or the Software may become unavailable in whole or in part.

Article 10 (Responsibility to a Third Party)

If any dispute with a third party results from the customer's use of the Software & Data beyond the scope of these Terms of use on the grounds that the copyright, patent right or other intellectual property right is infringed, the customer shall settle such dispute by himself/herself at his/her cost and keep COTODAMA, COTODAMA's affiliates and the Original Right Holder harmless..

Article 11 (Copyright Protection and Automatic Updating)

1. The customer shall, when using the Software & Data, comply with the Copyright Act, various conventions on the authors' rights and neighboring rights and other laws and regulations related to the intellectual property rights in and out of Japan. In addition, when COTODAMA judges it necessary in relation to the use of functions in the Software involving reproduction, storage, restoration or the like of works, the customer shall agree that COTODAMA reserves, in order to protect the copyright of such works, the right to record the frequency of reproduction, storage, restoration or the like with the Software, monitor the status, and further take any measures including refusal of reproduction, storage or reproduction and cancellation of these Terms of Use.

2. The customer shall, when connecting the Specified Device to the server of COTODAMA or a third party designated by COTODAMA (including COTODAMA's affiliates), agree to the following matters:

- (a) The Software is automatically updated from time to time for security improvement and error correction of the Software;
- (b) Functions of the Software may be added, changed or deleted when the Software is updated; and
- (c) The clauses of these Terms of Use shall apply to the Software after update

Article 12 (Network Services)

The Software is assumed to be used together with the content available through network services. When utilizing content and network services, it is necessary for the customer to comply with the conditions for use of the network services. If the customer fails to agree to the conditions for use, utilization of the Software may be restricted. To utilize network services or content, the Internet environment is required. The customer shall be responsible for preparation of the Internet environment, security and costs required

for them. Note that the operations and functions of the Software may be limited depending on the Internet environment. In addition, content used with the Software may become unavailable when the network service is suspended or terminated or depending on the Internet environment or the like.

Article 13 (Special Rules on Lyrics)

1. The Lyrics data available through the Service are provided by "Petit Lyrics", lyrics service of the SyncPower Corporation (hereinafter referred to as the SyncPower) under the license obtained from SyncPower. In addition, COTODAMA shall grant a license to utilize the Lyrics data to the customer under these Terms of Use on the basis of the license from LyricFind Inc.(hereinafter referred to as LyricFind) to access and use the Lyrics.

2. The Service shall not warrant that the lyrics are displayed for the musical pieces the customer plays on the Software. Lyrics may not be displayed for some pieces.

3. Utilization of Lyrics shall be limited to personal utilization and non-commercial utilization under these Terms of use. The customer may not reproduce or show the lyrics data, send them to the public, make their sending available, assign or lease them beyond the scope of private use specified under Article 30 of the Copyright Act.

4. In addition to the provisions to the preceding paragraph, the customer shall agree to the following contents given by LyricFind before utilizing the Software & Data.

"Usage of Lyrics is limited to your personal, noncommercial use in accordance with the terms of this Agreement.

You may not reproduce (other than as authorized for your own personal usage), publish, transmit, distribute, publicly display, rent or lend, modify, create derivative works from, sell or participate in the sale of or exploit in any way, in whole or in part, directly or indirectly, any of the Lyrics so provided. You agree that you are not granted any so-called "karaoke" or "sing-along" rights to Lyrics and you shall not seek to or remove any vocal track from a sound recording that shall be associated with a Lyric provided to you. You agree not to assign, transfer or transmit any Lyrics to any third party. You agree that you shall not seek to or do anything that will defeat, evade or circumvent any efforts that may be made to protect the Lyrics from any unauthorized usage." Licensee also agrees that except as specifically authorized herein, the foregoing restrictions apply to their use of Lyrics."

Article 14 (Cancellation of the Agreement)

1. In case the customer violates any of the provisions under these Terms of Use, COTODAMA may immediately cease the license hereunder and withdraw registration of the customer, or may claim the customer to compensate for the damage it suffers due to such violation.

2. COTODAMA or the customer may, by giving a 30days prior notice to the other party in accordance with the method prescribed by COTODAMA, respectively withdraw the customer's registration or terminate provision of the Service for any reason whatsoever. In this case, these Terms of Use shall be terminated. When these Terms of Use are terminated due to withdrawal of registration, cancellation or termination under this Article, the Service will be unavailable after that.

3. Even in case these Terms of Use are terminated for a reason in the preceding paragraph or for any other reason, provisions under Articles 2, 3, 4, 6, 9, 10, 11, 15, 16, 17, 18 and 19 shall effectively survive the termination.

Article 15 (Measures after Cancellation)

When the license under these Terms of Use is terminated or these Terms of Use are terminated in accordance with the provision of the preceding article, the Company shall not be obliged to purchase the Products under the Terms of Use.

The Company shall not be responsible for unavailability of the Product to the customer or restriction over some functions of the Software after such termination.

Article 16 (Revision of the Terms)

COTODAMA may revise the conditions under these Terms of Use with giving a prior notice to the customer by sending an e-mail to the e-mail address registered by the customer, giving an announcement on the website specified by COTODAMA or by any other method COTODAMA judges appropriate. If the customer does not agree to such revision, he/she shall give a notice to that effect to COTODAMA by the date immediately before the effective date of the revision of the conditions under these Terms of Use and shall immediately stop utilizing the Service. If the customer utilizes the Service on or after the effective date of the revised conditions of these Terms of use, it shall be deemed that the customer agrees to the revised license to utilize the Service.

Article 17 (Effective Term)

These Terms of Use shall be effectively in force between the Company and the customer during the provision period of the Service from the completion date of the customer's registration under Article 3 to the date when the customer's registration is withdrawn. Even in such case, provisions under Articles 2, 3, 4, 6, 9, 10, 11, 15, 16, 17, 18 and 19 shall effectively survive.

Article 18 (Assignment of Status under These Terms of Use)

- 1. The Customer may not assign or transfer to a third party, pledge or otherwise dispose of the status hereunder or rights or obligations hereunder without the Company's written consent in advance.
- 2. When the Company assigns the business related to the Service to another company, it may assign, with such business assignment, its status hereunder, rights and obligations hereunder and the customers' account information and other information to the assignee of such business assignment. The customer shall agree in advance to such assignment under this paragraph. Note that the business assignment under this paragraph shall include, in addition to ordinary business assignment, company split and all other cases where the business is transferred.

Article 19 (Others)

- 1. These Terms of Use shall be governed by the laws of Japan. The parties agree that Tokyo District Court or Tokyo Summary Court shall have jurisdiction of the first instance for any dispute arising from or related to these Terms of Use.
 - 2. When the customer uses the Software & Data outside of the Purchase Country, he/she shall comply with the applicable export control regulations, laws and orders at his/her responsibility.
 - 3. Even when some provisions under these Terms of Use are made invalid by laws or regulations, such provision shall still survive effectively within the scope considered effective under the laws and regulations.
 - 4. Matters not covered by these Terms of Use or any question about construction of these Terms shall be settled through sincere consultation between the customer and COTODAMA.
- Date of Final Update: May 25, 2018
